ABOUT  **Designerobes**
Designed for Living...

The logo features a stylized 'D' shape with a pink interior and a dark grey outline, followed by the brand name 'Designerobes' in a bold, sans-serif font. Below the brand name is the tagline 'Designed for Living...' in a smaller, italicized font.

Designerobes; if you want your rooms elegant and clutter free, we make it easy to get it all under control. Each door runs on precision made aluminium runners, making them safe, easy and quiet to use. Behind your new sliding robe lies custom designed storage. Built to your requirements with the combination of shelving, hanging space and drawers.

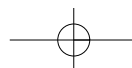

AVALUXE

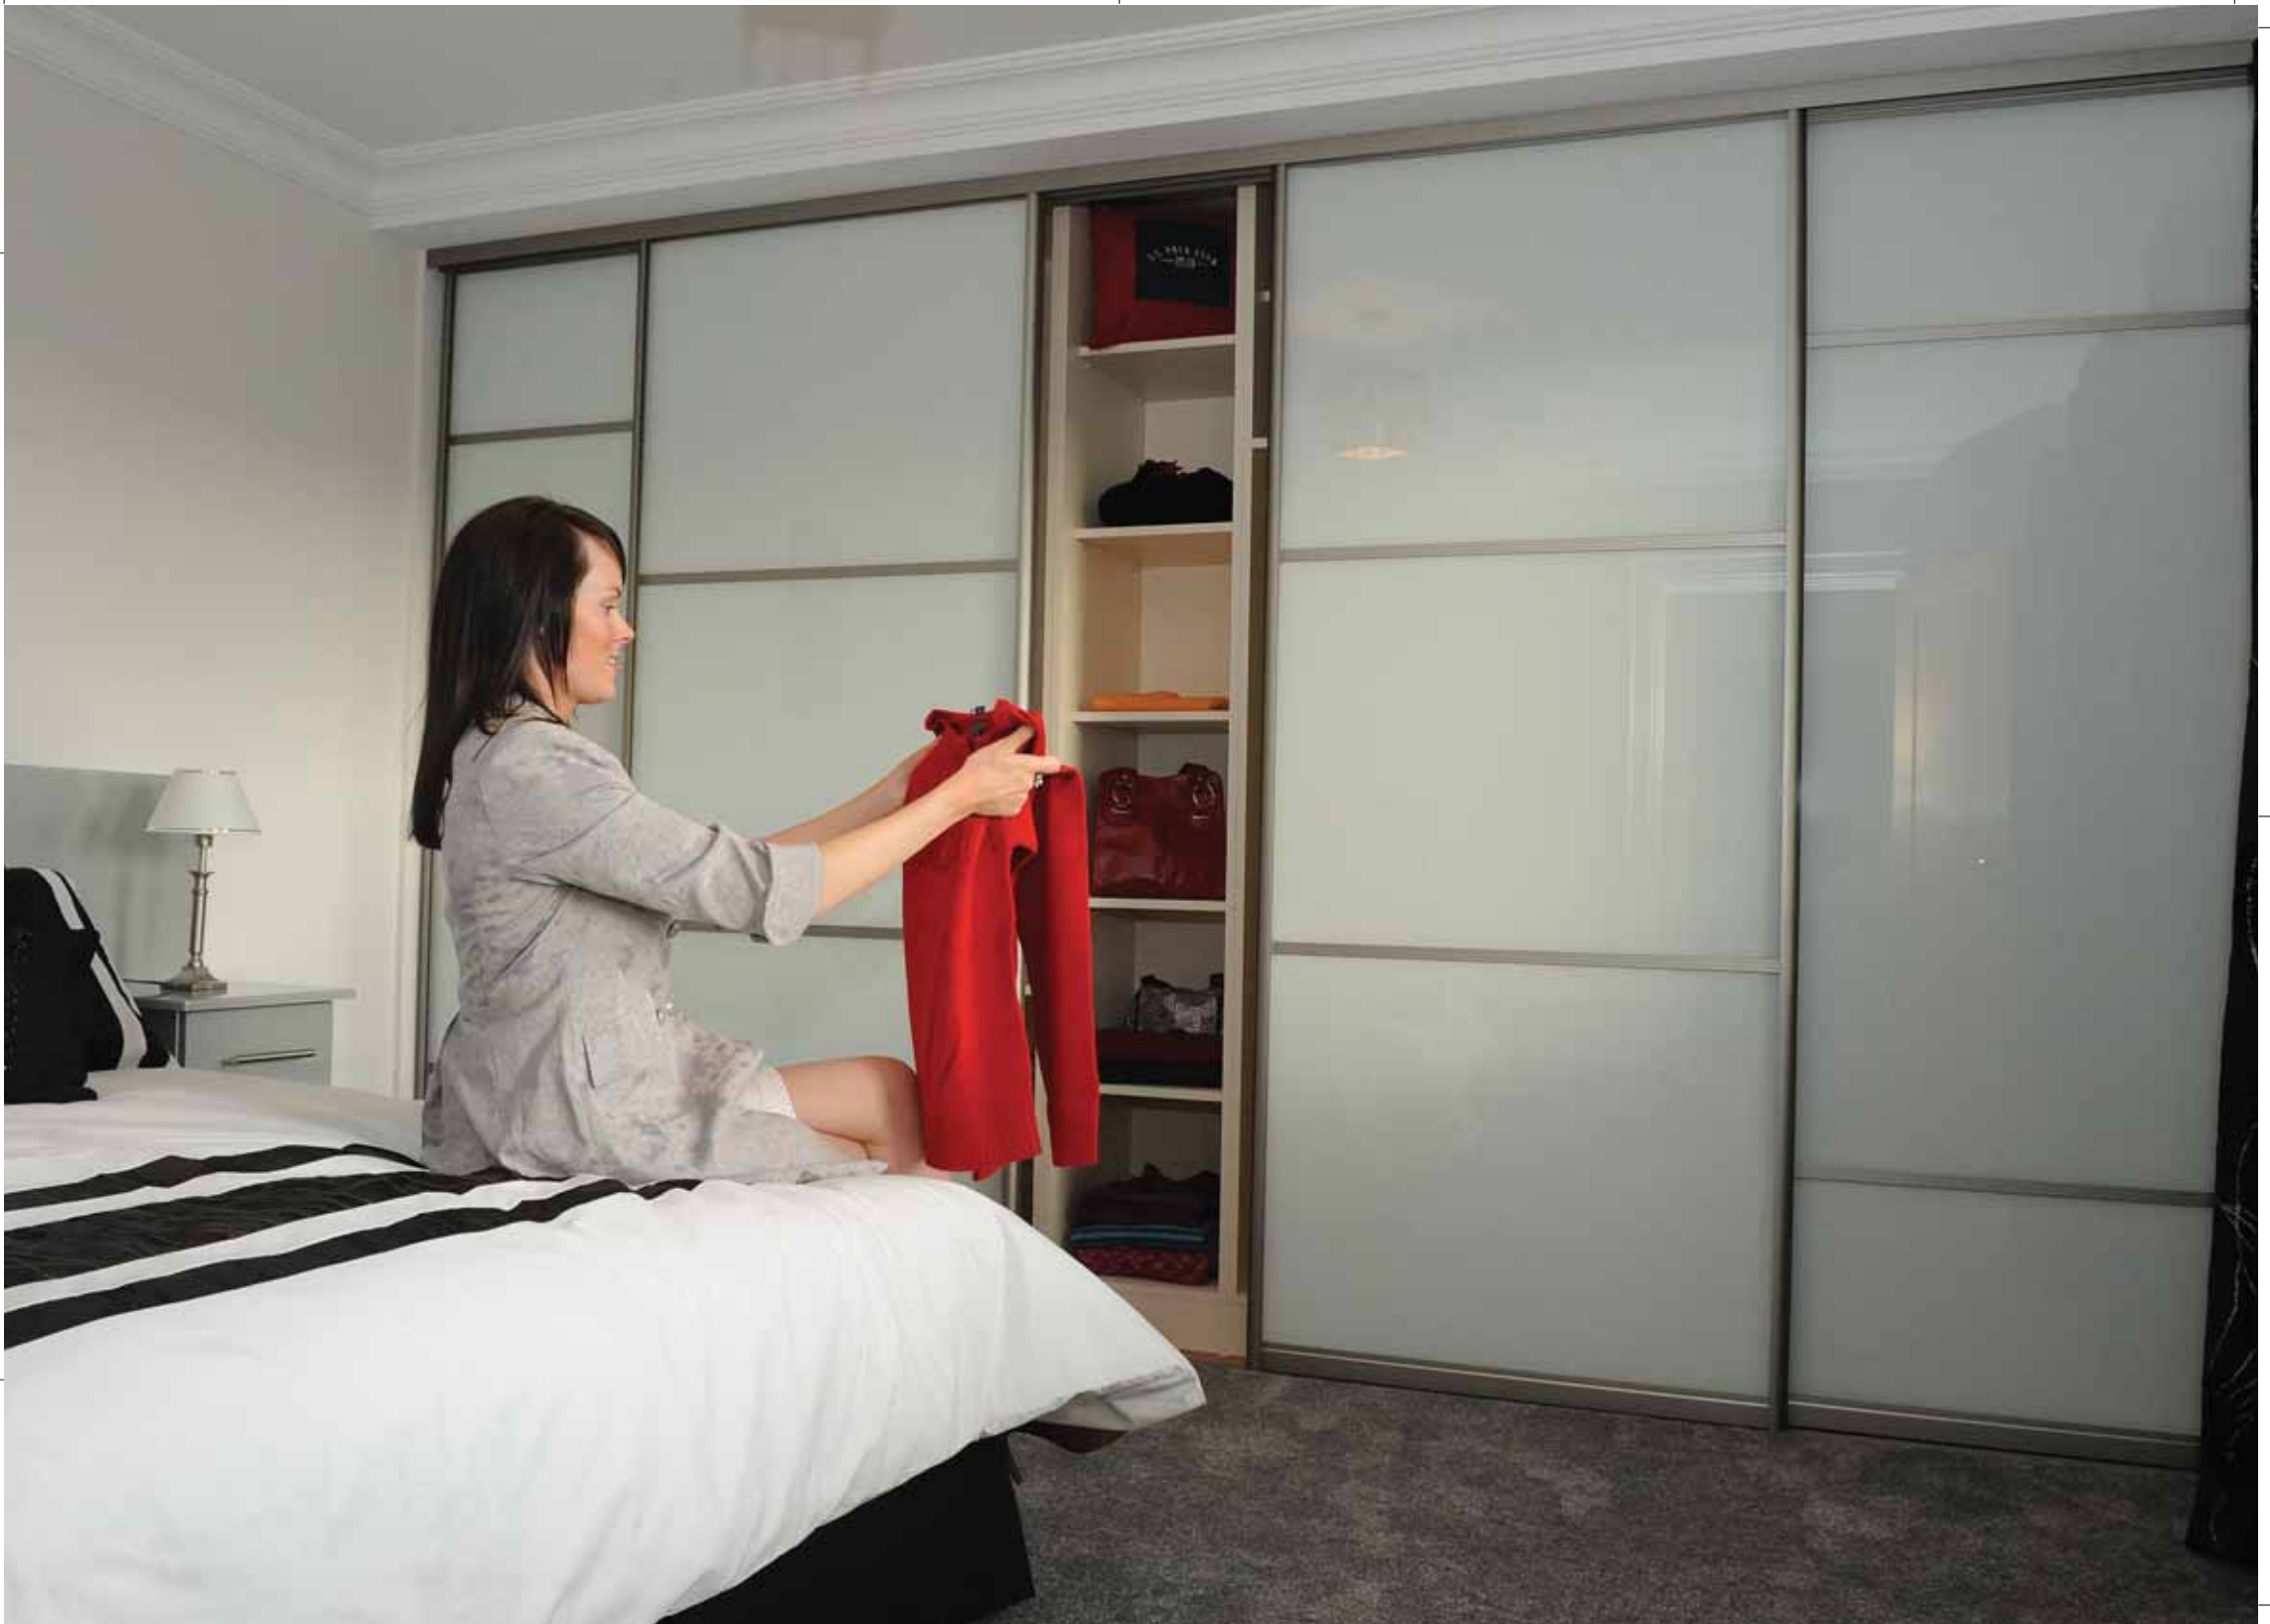

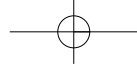

The abstract flower pattern with its muted tones silver mirror and champagne frame add character to help complete your designer room.

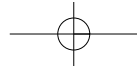

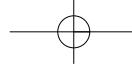

WHITE GLASS

The sleek white glass doors with champagne frame provide a blank canvas to introduce any colour scheme creating an incredibly stylish bedroom, with storage that is extremely functional.

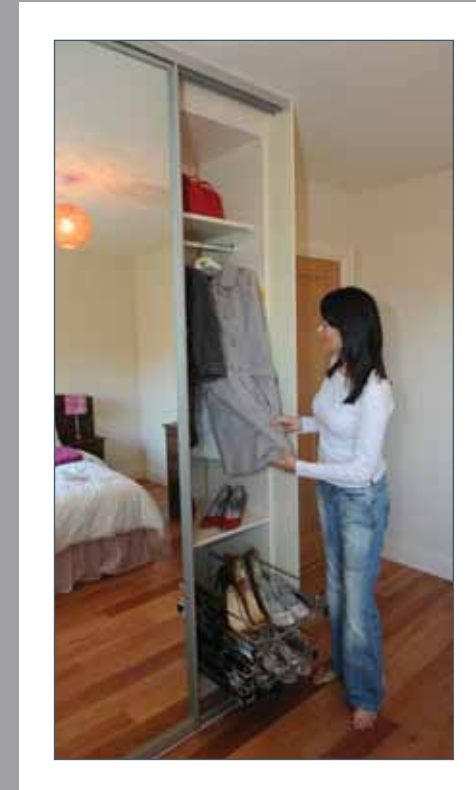

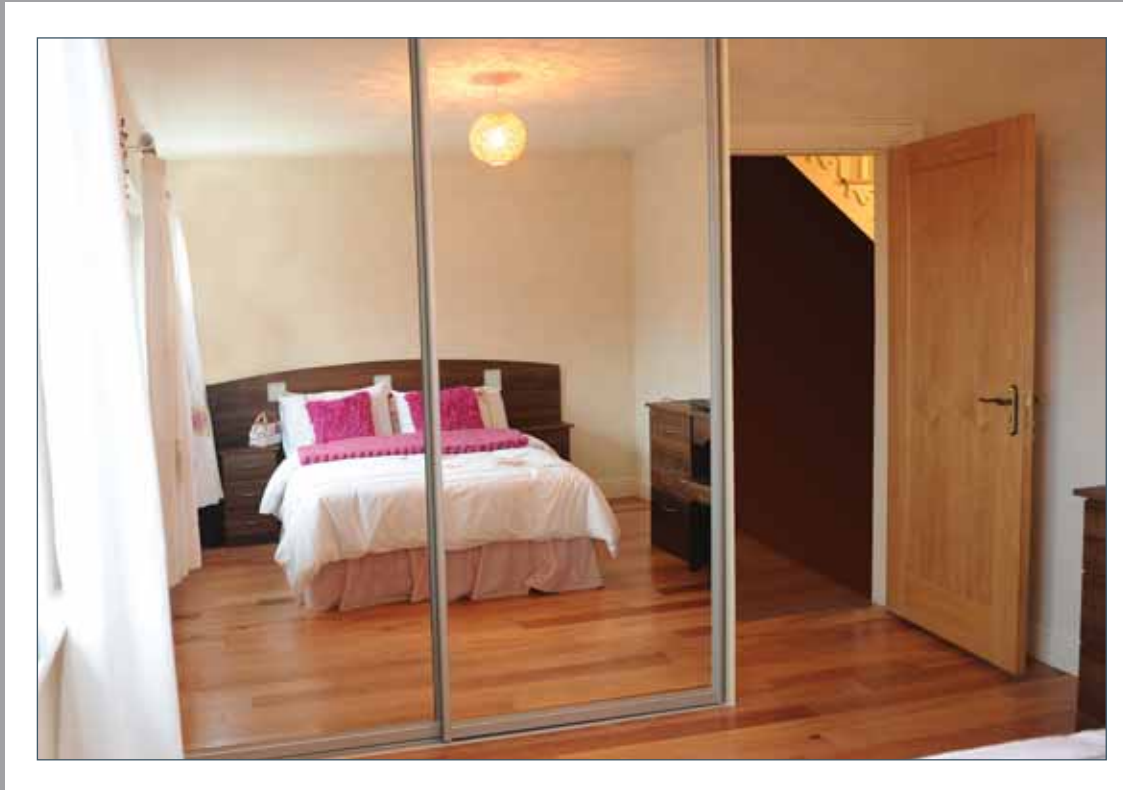

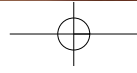

LIGHT WALNUT

For those hard to reach spaces, Designerobes can offer you a pull down hanging rail system that effortlessly pulls down to allow you to access your clothes.

SILVER MIRROR

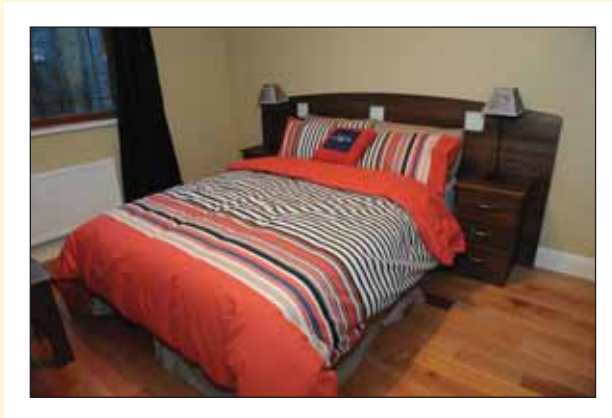

This silver mirror and chrome frame create a fresh smart feel to any room; create your own style with funky modern or cool calming colours for the desired effect. The pull-out chrome baskets are ideal for everyday use.

FROSTED GLASS AND MIRROR

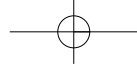

The combination of the frosted glass and mirror create a stylish co-ordinated look. As with all our robes they are made to measure making them suitable even for a toddler's rooms as they are safe and easy to use.

AMERICAN WALNUT

This sliding robe with dark walnut and white glass is modern and sophisticated. Our free standing furniture is designed to enhance your sliding robe with bedside lockers, dressing tables and headboards for the complete design.

JAPANESE GLASS

Add a contemporary feel to your home with these black glass doors. The glass is specially toughened safety glass with a range of colours which include white, pastel blue, red, cream glass, silver and bronze mirror. They are custom made to suit any space.

IVORY

The mixture of mirror and ivory panels add a fun and funky feel and also capture great light to brighten up any size of room.

BLUE FUSION

With a combination of colours this design adds a fresh feel to the room. The mirror doors reflect light and add interest to the room.

SLAB DARK WALNUT

The Dark Walnut effect Slab doors create a rich expensive feel to this bedroom. The square design in the headboard is mirrored in the centre doors giving a clever designer touch. Dramatic bed linen in tones of chocolate and duck egg completes the look.

PORTO MEDIUM WALNUT

The Gothic detail on the headboard and wardrobes is striking yet the overall feel is classic and fresh. But for those preferring a more traditional bedroom, this range would work equally well rich warm wall colours and bedding. And for all those aspiring to be the next “Imelda Marcos”, a dressing room with lots of space for shoes and bags is an excellent solution!

DULEEK BLACK GLOSS

Chic and sophisticated, this bedroom has a real “Uptown New York” feel to it. However the understated styling would look equally well in less far off fields! The wood grain surrounding panels add warmth and contrast to the black gloss doors. Very much a bedroom for those with cosmopolitan tastes.

COLOGNE **IVORY**

Natural décor and accessories work perfectly with this simple yet elegant shaker design. The reeded pilasters and glass doors add interest to the mid section. The end result is a very calm, understated bedroom with broad appeal

TUSCANY LIGHT TIEPOLO

The warm and striking grain of the light Tiepolo is complemented by the contemporary chrome handles. A stylish, elegant room in which to relax and enjoy the Sunday papers! Very much a bedroom that would suit a wide variety of homes.

AUCKLAND PIPPY OAK

The angled step out section prevents this run of oak shaker doors from looking bland. Pippy Oak looks light and natural in the Auckland style door. A matching dressing table, carved headboard along with rich chocolate and duck egg accessories complete this stylish room.

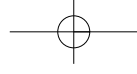

DULEEK CREAM GLOSS

The cream high gloss doors set against coffee décor result in a contemporary bedroom with a distinctly urban feel. The matching bedside cabinets, headboard and bed trunk create a simple coordinated look that is both stylish and practical.
