

The Dark Walnut effect Slab doors create a rich expensive feel to this bedroom. The square design in the headboard is mirrored in the centre doors giving a clever designer touch. Dramatic bed linen in tones of chocolate and duck egg completes the look.

Slab Dark Walnut

Tuscany Light Tiepolo

The warm and striking grain of the light Tiepolo is complemented by the contemporary chrome handles. A stylish, elegant room in which to relax and enjoy the Sunday papers! Very much a bedroom that would suit a wide variety of homes.

The angled step out section prevents this run of oak shaker doors from looking bland. Winchester Oak looks light and natural in the Auckland style door. A matching dressing table, carved headboard along with rich chocolate and duck egg accessories complete this stylish room.

Duleek Black Gloss

Chic and sophisticated, this bedroom has a real “Uptown New York” feel to it. However the understated styling would look equally well in less far off fields! The wood grain surrounding panels add warmth and contrast to the black gloss doors. Very much a bedroom for those with cosmopolitan tastes.

The cream high gloss doors set against coffee décor result in a contemporary bedroom with a distinctly urban feel. The matching bedside cabinets, headboard and bed trunk create a simple co-ordinated look that is both stylish and practical.

Duleek Cream Gloss

Silver Mirror

This silver mirror and chrome frame create a fresh smart feel to any room; create your own style with funky modern or cool calming colours for the desired effect. The pull-out chrome baskets are ideal for everyday use.

Natural décor and accessories work perfectly with this simple yet elegant shaker design. The reeded pilasters and glass doors add interest to the mid section. The end result is a very calm, understated bedroom with broad appeal.

Shaker / Ivory

slider robes -
dark walnut with silver mirror

The Gothic detail on the headboard and wardrobes is striking yet the overall feel is classic and fresh. But for those preferring a more traditional bedroom, this range would work equally well rich warm wall colours and bedding. And for all those aspiring to be the next “Imelda Marcos”, a dressing room with lots of space for shoes and bags is an excellent solution!

Porto Medium Walnut

American Walnut

This sliding robe with dark walnut and white glass is modern and sophisticated. Our free standing furniture is designed to enhance your sliding robe with bedside lockers, dressing tables and headboards for the complete design

The abstract flower pattern with its muted tones silver mirror and champagne frame add character to help complete your designer room.

Avaluxe

Ivory

The mixture of mirror and ivory panels add a fun and funky feel and also capture great light to brighten up any size of room.

The sleek white glass doors with champagne frame provide a blank canvas to introduce any colour scheme creating an incredibly stylish bedroom, with storage that is extremely functional.

White Glass

slider robes -
blue fashion
